

Residential Relief Workers

East Metro Youth Services is inviting applicants for relief workers in our residential programs. The candidates will work within a multi-disciplinary team providing an intensive treatment program for adolescents with complex mental health problems.

Position summary: The youth worker is responsible for contributing to the creation of a safe therapeutic milieu within the EMYS residential programs through the provision of direct practical services, and the delivery of an effective treatment program to EMYS residents.

Relief workers will:

- Provide direct supervision of residents in accordance with EMYS professional standards of clinical child care practice.
- Develop and carry out social, recreational, therapeutic and training programs through individual and group activities and routines.
- Maintain EMYS professional standards of clinical recording.
- Maintain all physical aspects of the residential facility with respect to accepted norms of health and safety.
- Ensure the maintenance or working relationships with other service providers within the community at large.
- Assume the responsibility for other tasks as assigned.

Qualifications:

- Completed (or currently in 3rd year) Child and Youth Care Diploma or Degree
- Minimum 1 year of directly related experience
- Current First Aid/CPR
- Current CPI (Nonviolent Crisis Intervention)

Qualified individuals are invited to submit a resume to:
